LR 76  
LB 198, 224, 469

we will proceed then. Without objection, we will skip over LB 212 because of unfinished amendments and LB 224.

CLERK: Mr. President, right before that, Senator Kahle would like to print amendments to LB 198 in the Journal.

Senators Johnson and Landis offer LR 76 which calls for an interim study regarding the township system. The study would call for review of the current township system including election procedures; the scope of authority and distribution of powers within the township system; relationship between townships and other governmental subdivisions. That will be referred to the Executive Board, Mr. President.

Mr. President, Senator Warner would ask unanimous consent to bracket LB 469 on E & R for engrossing.

PRESIDENT: Without objection, so ordered.

CLERK: Mr. President, LB 224 (read title). The bill was read on January 13, referred to the Revenue Committee. The bill was advanced to General File, Mr. President. There are committee amendments pending.

PRESIDENT: Senator Carsten, I recognize you for the amendments.

SENATOR CARSTEN: Mr. President and members of the Legislature, LB 224 is basically a housekeeping and clarification bill as a whole. The amendments, and I would move for the adoption of the committee amendments, further clarifies that the first purchaser will pay the tax. There has been confusion and difference of sort of a gray area there that needed to be clarified and that is what this is doing. The amendments just further clarify it. It also more specifically defines the terms "person or/and producer". So it is a clarifying amendment that makes the bill a little more definite and clear and I would move for the adoption of these amendments, Mr. President.

PRESIDENT: Is there discussion on the committee amendments? If not, the motion is to adopt the committee amendments as explained by Senator Carsten. All those in favor vote aye, opposed vote nay. The motion is the adoption of the Revenue Committee amendments to LB 224. Have you all voted? Please record your vote on the adoption of committee amendments to LB 224. Have you all voted? The Clerk will record the vote.

CLERK: 25 ayes, 0 nays on adoption of the committee amendments.
